## LEGAL JUSTIFICATION TEST

1. You are walking down a downtown street and you hear the screams of a woman. Turning the corner you see a taxi idling with several of the doors open. You also see a large man holding a woman by the neck up against a wall while pointing a gun at her. She screams "help me he's going to kill me".

- A. Are you justified in drawing your firearm? \_\_\_\_\_
- B. Would you be justified in using deadly force? \_\_\_\_\_
- C. If you would-WHY \_\_\_\_\_

2. You hear a noise at your tool shed which is detached from your residence. You obtain your handgun and go to investigate. You find a subject in your shed, when you ask, "what are you doing". The subject attacks, you are in a struggle with the subject over your handgun. You discharge the weapon several times and take the life of the subject.

- A. If not already armed would you be justified in arming yourself? \_\_\_\_\_
- B. Would you be justified in using deadly force? \_\_\_\_\_
- C. If you would-WHY \_\_\_\_\_
- D. What steps should you take since you have taken the life of another human being?

3. You are sitting in your house when you hear a child screaming, when you look out the window you see your neighbors little girl being dragged off by an adult male you do not know. You grab your firearm, run outside and verbally confront the subject as he is dragging the child into a vehicle. He refuses to stop, the girl is begging for your help.

- A. Are you justified in arming yourself? \_\_\_\_\_
- B. Would you be justified in using deadly force? \_\_\_\_\_
- C. If you would-WHY? \_\_\_\_\_
- D. If not what other steps could you take? \_\_\_\_\_

4. You are home alone, suddenly there is a masked intruder in your home. The masked person strikes you with his fist several times. You manage to break away and run to your safe room and obtain your handgun. The subject who has been chasing you stops when he sees the gun, he then turns and runs.

- A. Are you justified in arming yourself? \_\_\_\_\_
- B. Would you be justified in using deadly force? \_\_\_\_\_
- C. If you would-WHY? \_\_\_\_\_
